

Reliability is Everything. When Customers Speak, InfoWave Listens.

Visit InfoWave at RFID World Asia from April 9-11 in Singapore!

InfoWave will be participating in RFID World Asia 2008, the region's international showcase of the latest RFID technologies and applications, from April 9-11, 2008, in Suntec Singapore International Convention & Exhibition Center, Singapore.

Set out in **Hall 603, Stand 4S07, IDA Pavilion**, InfoWave will showcase its flagship telematics products including Waveon 606 v2 Vehicle Tracker and Waveon 738 v2 Mobile Data Terminal, and demonstrate how taxi operators, school bus operators, environmental management services businesses, and logistics companies can accelerate fleet insight, optimize fleet operations, improve safety and security, and enhance customer experience via increased visibility into fleet operations across the value chain.

Demonstrations and discussions of Waveon products will be available from April 9-11, 2008 between 10.30am and 5.30pm. To schedule a meeting with the InfoWave team, please contact:

Mr. Wong Cheong Weng
Regional Sales Manager
Email: cwwong@infowave.sg

Ms. Jacqueline Chan
Marketing Manager
Email: jacquelinechan@infowave.sg

We look forward to seeing you there!

Warm regards,
Jacqueline Chan
Marketing Manager
